

## Result Upload Procedure

Login to your Admin Panel Dashboard and select 'POSTS' then 'Add New'

Name your post in the title bar

Click on 'Add Media' and then on 'Select Files'

Enter the file location on your computer which is the current saved results file  
?????.htm

Once the file has uploaded to the Media Library select 'Insert into Page' in the  
bottom RH corner

Then click Publish button near the top of the RH Side Bar.
